

Nature Sings: Spirit of Our National Parks

Songs, Photos and Stories by Art Lee

Friday, June 3rd, 7pm, Eliot Hall*

Grab a seat in front of Art Lee and the big screen TV, for an inspiring live concert and multimedia tour of our western National Parks. Art's songs and stories come from his adventures as a nature photographer, mixed with a little history, science and philosophy. Don't miss this opportunity to experience nature's beauty, wonder and awe through the heart of an artist.

Bio: 20 years as a nature photographer and 10 years as a singer-songwriter, Art Lee has photographed all the National Parks of the western United States and composed over 50 related songs. Nature Sings is his series of CDs/DVDs/shows. He manages a nonprofit, www.Arts-and-Nature.org, through which he sings in schools to educate about nature through the arts.
